## *QUICK INSTALLATION GUIDE*

### [ ACT-IR224UN GENERAL SETUP PROCEDURE ]

1. Make sure USB dongle is **NOT** plugged into PC until you have installed the driver.
2. From **Add or Remove Program**, make sure there is no driver named: "**PL-2303 USB-to-Serial**" in PC. If exists, please **remove it first**.
3. Insert the installation CD and it will install driver into PC automatically.
4. Normally from above CD Driver installation. A welcome screen for PL-2303 Driver installer will show up. Click "**Next**" to continue.
5. When this Installation completes, click "**Finish**" to close the Wizard window.
6. Now plug ACT-IR224UN adapter into USB port. It will lead you to a "**Found New Hardware**" procedure to complete the installation
7. For details of the procedure, please refer to Chapter of "**Installation**" in the manual.
8. Now please refer to Chapter of "**Installation Check**" in the manual to do the necessary Program and COM port check.
